Our Experience /Common Feedback / Action Taken

Alumni from almost all the batches and branches attended the meeting. Maximum no was present at Pune . They were very happy as we reached their place to meet them.

All of them realized that the discipline of the campus made them ready to take up and complete the tasks with the maximum level of satisfaction. The CRT and soft skill classes were appreciated by most of the alumni. They were remembering all the extracurricular activities they participated in. They were very much willing to guide their juniors.

They were remembering good teachers and HODs. When we reached back to institute, we communicated the same to the respective persons.

Alumni shared their position they are holding in different companies/ organizations.

Some of them suggested that T&P Cell may entertain small scale ventures also for placements. Those alumni who are entrepreneurs may also be invited for placements. More of attention may be given on practical, project based learning. The same is communicated to the T& P Cell. One of the first batch alumni Mr. Riju Jakob suggested that on every 5 students, one alumni of the same branch can be appointed as their mentor. This point is put to Director Academics. It is communicated to the current students to register on the portal to seek guidance from Alumni.
