The idea of this webinar series struck us when we didn't see the chances of coming together for academic activities physically. We are concerned about the utmost health and safety of our staff and students, but at the same time we realized that the momentum of learning should not stop. It is a well-known saying that necessity is the mother of invention. We also came up with the smart idea of holding a webinar series that can accelerate the idea of learning from home. The layout of this series was planned so diligently that we could cover up all the important spheres of life, experience, and learning.

## Episode 01: “Education 4.0”

This episode was dedicated to the theme of education when we were honored to listen to the deliberations by Prof Anil Sahasrabudhe, Chairman AICTE and Prof I k Bhat, Senior Professor and Vice Chancellor, Manav Rachna University. The experts emphasized on the need of bringing revolutions in the teaching methods. Post covid-19 situation will focus on new training methods rather than traditional teaching practices.

### Poster & Screens of Episode 1:

The poster is for a webinar series titled "BEYOND THE BOUNDARIES: REINVENTING HORIZONS EDUCATION 4.0". It is organized by Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur. The event is scheduled for Saturday, 16<sup>th</sup> May, 2020, from 3:00 PM to 4:30 PM. The main speakers are Prof. Anil D. Sahasrabudhe, Chairman of AICTE, and Prof. I. K. Bhat, Vice Chancellor of Manav Rachna University. The moderator is Prof. Puneet Sharma, Anchor of DD National and a Technical Education Expert. A QR code is provided for registration, with the link [www.skit.ac.in/webinarseries/register](http://www.skit.ac.in/webinarseries/register). The official link is [www.skit.ac.in/webinarseries](http://www.skit.ac.in/webinarseries). Social media handles for SKIT Jaipur are also listed.

“Beyond the Boundaries: Reinventing Horizons”  
during 16-20 May, 2020

Mr. Jaipal Meel  
Director, SKIT

Dr.(Prof.) R.K. Pachar  
Principal, SKIT

During the entire event, we were able to reach more than 50000 Facebook users and 7000 Twitter users. Their response has been really overwhelming as we were joined by more than 6000 participants on WebEx, 2800 participants on YouTube, 3500 participants of Facebook and 400 participants on Twitter during these 7 days through live transmissions and online meetings. We had viewers from 30 countries USA, Australia, Hungary, Malaysia, Bahamas, Indonesia to name a few. This itself shows that learning is not limited by any boundaries or limitations. Over 25,000 Certificates were downloaded by the participants throughout the globe.

We submit our heartiest thanks to our media partners such as Rajasthan Patrika, Dainik Bhaskar and Dainik Jagran for helping us reach the masses with our success stories. Their effective and prompt reporting gave this effort good publicity.

No work is possible without the smart work and dedication of a team. In this case our team consisted of members from each department and every single member has contributed immensely to the success of this program.

At the end we would like to reinforce the idea of making ourselves stronger during this testing time. Through this small effort we not only tried to touch the individual socially but also transform their lives. We would be coming up with learning opportunities like this in the future as well. Till then keep learning and remember, this is just a beginning....

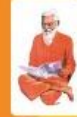

A handwritten signature in blue ink, appearing to read 'Mehul Mahrishi', is centered within a faint, light-colored rectangular box.
