ABOUT RTU

Rajasthan Technical University (RTU) is located in Kota in the state of Rajasthan. It was established in 2006 by the Government of Rajasthan to enhance the technical education in the state. The university has been established in the campus of **University College of Engineering, Kota** (previously known as Engineering College, Kota), which is located on the Rawatbhata Road, about 14 kms from Kota Railway Station and 10 kms from Kota Bus Stand.

The university currently affiliates about 68 Engineering Colleges, 03 B.Arch, 16 MCA Colleges, 39 MBA Colleges, 31 M.Tech Colleges, 01 M.Arch and 01 Hotel Management and Catering Institute. More than 1.5 lacs students study in the various institutes affiliated to the University. The University aims to provide quality technical education which may help Rajasthan in its technical development and will boost technical environment in the country.

The University offers almost all the disciplines related to technical education including Bachelor of Technology, Master of Technology, Master of Business Administration, Master of Computer Applications, and Bachelor of Hotel Management and Catering Technology. The Honb'le Governor of Rajasthan His Excellency Shri Kalraj Mishra is the Chancellor, and Prof. R. A. Gupta is the Vice-Chancellor of the University. Thousands of students graduate from the University every year and many attain post graduation. The University is making steady progress in developing and providing best technical environment for education and will continue to serve the nation in coming years.

ABOUT TEQIP

The Technical Education Quality Improvement Programme aims to upscale and support ongoing efforts of GOI to improve quality of technical education and enhance existing capacities of the institutions. The Project, Third phase of Technical Education Quality Improvement Programme (referred to as TEQIP-III) is fully integrated with the Twelveth Five-year Plan objectives for Technical Education as a key component for improving the quality of Engineering Education in existing institutions with a special consideration for Low Income States and Special Category

States (SCS) and support to strengthen few affiliated technical universities to improve their policy, academic and management practices. The Project will focus on the following objectives:

- Improving quality and equity in engineering institutions in focus states viz. 7 Low Income States (LIS), eight states in the North-East of India, three Hill states viz. Himachal Pradesh, Jammu & Kashmir, Uttarakhand and Andaman and Nicobar Islands (a union territory (UT))
- System-level initiatives to strengthen sector governance and performance which include widening the scope of Affiliating Technical Universities (ATUs) to improve their policy, academic and management practices towards affiliated institutions, and
- Twinning Arrangements to Build Capacity and Improve Performance of institutions and ATUs participating in focus states.

ABOUT SKIT

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) inspired from the teachings of Swami Keshvanand Ji, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning. Today the institute is recognized as one of the centers of academic excellence in Northern India. The Institute is affiliated to Rajasthan Technical University, Kota for offering Ph, D, Postgraduate and Graduate Courses in Engineering and Management. Located in the Pink City Jaipur, which is a blend of traditional history and modern outlook, SKIT is putting in efforts for making industry ready engineers and managers through effective Industry – Institute Interface. Apart from University curriculum SKIT also pursues activities for research and development in various fields. Green landscaping, aesthetic elegance of arches and the vibrant pursuit of knowledge by the young aspirants make the environment serene, pleasant and dynamic.

ABOUT THE PROGRAMME

Student Excellence & Learning Program (SELP) is exclusively designed for the students

It's 12 hrs online fun-filled interactive training which happens for 6 days (2 hrs each day) by the certified trainers of The Art of Living.

This programme is being organized by RTU Kota and SKIT Jaipur under TEQIP- III for the benefits of the students.

Following are some of the benefits of this programme.

- ➔ Stress free Mind
- ➔ Increased focus and concentration level
- ➔ Increased confidence
- ➔ Overcome fear and stage fright
- ➔ Removes negative emotions
- ➔ Time Management
- ➔ Leadership skills
- ➔ Improved relationship
- ➔ Reduces anger
- ➔ Positive attitude towards life
- ➔ Enhances Creative thinking
- ➔ Tips to crack interviews

THEME OF THE PROGRAMME

"The Art of Living is more of a principle, a philosophy of living life to its fullest. It is more a movement than an organization. Its core value is to find peace within oneself and to unite people in our society – of different cultures, traditions, religions, nationalities; and thus reminding us all that we have one goal to uplift human life everywhere."

- Sri Sri Ravi Shankar

The Art of Living course is a rich and beautifully structured knowledge and experience programme which helps one to lead a more stress-free life. All the processes are directed towards increasing our 'awareness' and improving physical and mental health. At the core of the course is the unique Sudarshan Kriya or the Healing Breath technique. Daily practice of Sudarshan Kriya promotes increased energy, more vibrant health and positivity, improved stability and confidence, and helps eliminate habitual patterns of anger, anxiety and depression. It provides very practical skills in handling our mind and negative emotions. There is an amazing connection between our breath and our state of mind!

The direct benefit of this knowledge and experience is appreciation of life in its fullness - not in some near or far future, but right here and now - in the present moment.

This course is a rich and beautifully structured knowledge and experience programme which helps one to lead a more stress-free life. All the processes are directed towards increasing our 'awareness' and improving physical and mental health.

At the core of the course is the unique Sudarshan Kriya® or the Healing Breath technique. It provides very practical skills in handling our mind and negative emotions. There is an amazing connection between our breath and our state of mind!

When actions and desires are aligned to the Divine or to the welfare of society, then the consciousness is automatically elevated and the knowledge of the Self dawns.

Awareness of the Self and action all are manifestation of the same energy that is you. One of these three dominates at a time. When desire dominates, awareness of the Self will be at its lowest. That's why all the philosophers around the world have always advocated renunciation and dropping of desires. When you are in a state of awareness, happiness dawns and when desire dominates, stress and and sorrow take over

Inauguration

On 22/02/2021 The workshop began with the inauguration. Dr. Shikha Agrawal coordinator of the programme (Deptt of English , SKIT Jaipur) welcomed all the eminent guests, expert speakers and participants of the event.

In his address Prof. R.K. Pachar, Principal SKIT Jaipur emphasized the importance and relevance of this learning programme and expected the positive and fruitful outcomes of the event.

Prof Archana Saxena Coordinator of this event addressed about objectives and schedule of this Learning Programme.

Chief guest Prof. Dharendra Mathur, Professor, RTU, Kota congratulated the organizers and team for organizing this event on such a most relevant subject.

Prof. R. Shringi, Dean Students Welfare and coordinator of this event also thrown light on the objectives of the workshop.

The programme ended with the vote of thanks by Prof. Rohit Mukherjee, Coordinator of this programme. Prof. Sangeeta Vyas (Chief Counselor) and Dr. Sharda Soni (HOD Chemistry Deptt) SKIT Jaipur also attended the programme and conveyed their best wishes to the event.
